NOTE: LABEL YOUR CHILD'S NAME ON ALL ITEMS

If you notice that your child has brought home something that doesn't belong to them, we kindly request that you return the item to the school promptly so that it can be reunited with its rightful owner. It is a collective effort to maintain a well-organized and efficient learning environment. Please be aware that FLA cannot assume responsibility for lost uniforms or school items. Our teachers use a uniform control sheet daily to track items brought to school, but students in primary and middle schools are expected to take independent responsibility for their belongings. Please note that the school is not responsible for searching for your child's lost items. We kindly ask that you refrain from calling any staff member to request such searches. Instead, we encourage you to utilize the class group to post your message regarding any lost items. Your cooperation in labeling your child's items and reinforcing the importance of returning found items to school is greatly appreciated.
